

# Why use a TRAVEL MANAGEMENT COMPANY?

# TIME SAVING

The time it takes your staff to look online for the best deals, book their travel, & reconcile all financial data is time away from what they do best...

supporting your business!

a database of over 200,000 hotels every major airline in the world rail bookings & car hire

We can give you a single booking platform that will allow you to book your rail, car hire, flights, and hotels simultaneously and guarantee the best prices

We build you a unique online booking tool, based on your travel policy and trip preferences

If you don't want your employees booking first class seats, then we'll make it so it's not an option

## DUTY OF CARE fulfillment

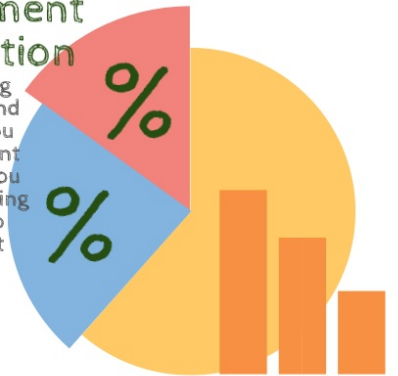

- every time you make a booking with us, the data is loaded on to our tracking tool
- our tracking system receives an international newsfeed from Riskline, continuously risk assessing
- at the click of a button, we can send a message to any of your employees, where ever they are in the world, to make sure they're okay

## Sophisticated Management Information

Interrogating travel data and providing you with intelligent reports, so you know everything you need to know about your travel spend and behaviour

## TECHNOLOGY & APP INTEGRATION
