Millets Farm Shop

The Evesham Farm Shop provides a taste of the countryside with a quality range of fresh and local produce. Having been open for just over two years Millets Farm Shop at Evesham Country Park has worked hard to develop all the same exceptional qualities as its flagship store at Frilford in Oxfordshire.

Their priority is to grow or make their own products or to source from local and British producers wherever possible. The fresh fruit and vegetable department at the very heart of the shop is complemented perfectly by the sumptuously stocked bakery, extensive delicatessen and butchery from Hillworth Farm Meats. A few extras are thrown in to guarantee that your every need is met, whether that be completing your weekly shop, helping you cater the perfect dinner party or find that perfect gift.

Butchers

Hillworth Farm in the Malvern Hills is home to all the beef, lamb and pork sold in our counter. The animals lead a natural life and are allowed to grow and mature slowly. There are no growth promoters or artificial feed additives which results in true, honest, unspoilt meat that reflects the timeless values of the countryside. Hillworth Farm meat is well hung, making it both flavoursome and tender. In addition to this we have found delicious, handmade locally produced Pork and Meat Pies from The Cotswold Pie Company, Evesham.
